aNd Logistix Inc. makes Profit W100 Ranking of Canada's Top Women Entrepreneurs.

Toronto-based aNd Logistix Inc. announced today it has made the Profit W100 ranking of Canada's Top Women Entrepreneurs by *PROFIT: Your Guide to Business Success*.

Ranking Canada's Top Women Entrepreneurs by the annual revenue of their firms, the Profit W100 profiles the country's most successful female business owners. Published in the November issue of Profit and online at Profitguide.com, the Profit W100 is Canada's largest annual celebration of entrepreneurial achievements by women.

aNd Logistix is a "small" business. They employ 10 full time meeting experts and this structure gives aNd Logistix a distinct advantage with the meeting and event industry. Clients rely on aNd Logistix for their hands-on approach, and feel comfortable knowing that senior management and support staff are continuously collaborating with them, by providing the support and expertise necessary to execute creative and professionally managed events.

"The aNd Logistix team prides itself on the close relationships we have built and continue to build with our clients, becoming an extension of their office. We all love what we do and it shows, bringing clients back year after year," says aNd's President Dana Zita. Having recently celebrated their tenth anniversary, Zita is thrilled to be part of Canada's Top Women Entrepreneurs. aNd Logistix adds this prestigious recognition to a long list of industry awards.

aNd Logistix's client list include many well known corporations in Canada and the United States, such as Shoppers Drug Mart, Bacardi Canada, US-based Sprint/Nextel, Enterasys Networks and NextiraOne, and associations such as, the Investment Dealers Association, and the Juvenile Diabetes Research Foundation. After 10 years and steady growth, we pride ourselves on supplying our clients with exceptional service", says Zita.

"We're happy to welcome the 2005 PROFIT W100 winners to this distinguished group of peers," says Ian Portsmouth, editor. "Canada's Top Women Entrepreneurs are generating economic growth both at home and abroad."
