"Thank you for the outstanding job you and your team did in the preparation and execution of our third annual Sprint Nextel South Region Public Sector Summit. Everything was flawless during the entire three day summit. This event is always a highlight of the year for the team. With over 300 attendees each year there are enormous challenges making it all come together and be a very special event for the regional team. You should know the reason that we use aNd Logistix each year for this summit is because year after year you delight us with your service."
